Dear Mrs. Dymna, dear friends,

We would like to express our great appreciation and admiration for the participation of Aleksandra Liske and Grzegorz Dowgiałło in the concert on November 12, 2012 at the National Palace of Culture in Sofia which marks the International Day of People with Disabilities celebration in Bulgaria.

We all were deeply touched of their emotional performances of Czeslaw Niemen's songs and admired their artistic talent. We would like to express our sincere gratitude to Katarzyna Bąk, which is a real professional and open hearted person.

The agreement between the two foundations signed in the Embassy of Poland in Bulgaria in the presence of His Excellency Mr. Leszek Hensel, Ambassador of Republic of Poland in Bulgaria means a lot to us and motivates us to continue our work dedicated to disabled people. Ola and Grzegorz's participation in the concert was the first step towards the implementation of the agreement between our organizations.

Thank you again for your support. We wish all the best to you and the whole team of the foundation.

Sincerely,
